- *Open Division players use the tee box appropriate to their age/gender.*

RULES OF PLAY

- **Scramble Format:** Select the best shot. All players play within one club length of that spot (not nearer the hole) without changing the condition.
- **Bunkers:** Players may rake and place the ball in bunkers.
- **Holing Out:** The ball must remain in the hole to count. If it bounces out, it is not holed.
- **Handicaps:** Verifiable handicap required for Net division; otherwise, player is treated as a 0. Team Handicap = (Sum of individual handicaps / 4) x 80%.
- **Payouts:** Split evenly between Gross and Net. A team may only cash once (Gross takes precedence). Ties split winnings.
- **Skins:** Gross score only. Paid out separately each day.
